

VICTOR AND CATHY TESSIER RECEIVE PRESTIGIOUS 2007 COMMUNITY SERVICE AWARD

Pomona Chamber of Commerce selects Cathy and Victor Tessier as this year's Community Service award recipients. With the development of the Historic Fox Theatre as one of their major projects the Tessier family of Pomona continues to restore and refurbish downtown Pomona to benefit the community.

Victor and Cathy met and married in 1965 and settled in Pomona after earning their college degrees. Victor was practicing law and Cathy was teaching music part time for the Pomona Unified School district and the Mary B. Eyre pre-school in Claremont. She was also a charter member of the Preparing Expectant Parents, Inc. a non-profit parent education organization. They have three wonderful and accomplished children.

Edward the eldest besides being very

active in the family development and management business also advocates extensively for the disabled community. He and his wife, Alejandra has a three year old son, Victor. Vicki has been teaching specialized dance and performance classes also for PUSD for over twelve years. Jerry is the family developer, finding real estate projects that need the family's successful formula for development.

From 1967 to 1993 Cathy and Victor acquired over 400 multi-residential units in Pomona and Corona, which were in very bad condition. Cathy assumed the management and renovation and operations of the units and continues to this day.

They are also charter members of a group of community members, Fire Department officials, and Pomona City employees formed to establish an effective code

"ONE POMONA ONE VOICE"

On June 20th Mayor Norma Torres delivered a powerful State of the City Address to a packed house at the Pomona Valley Mining Company, hosted by the Pomona Chamber of Commerce.

Mayor Torres walked us through each of the key elements of new city developments and major issues and challenges facing Pomona. She praised all of the major stake holders such as Neighborhood watch, PUSD, Cal-Poly Pomona, Pomona Valley Hospital, Fairplex, business and non-profits and the religious community for

developing relationships with each other and the community.

Genesis, a Pomona fourth grader, performs the National Anthem.

She spoke with passion asking that we break the code of silence and speak out when we witness crime and that we support our police and fire fighters in their efforts to make Pomona safe and beautiful. She put gangs, prostitutes and criminals on notice that we are coming after them and cited the successful injunctions that have disrupted some of the larger gangs in the city. A question from the floor regarding the Youth and Family Master plan elicited her response that we must remember that it is a road map and a way of doing business to bring resources to our youth and not a panacea that will cure everything overnight.

Many members of the audience pledged their individual and organization support and we as a chamber also pledge our support in all aspects of improving our city and we salute our Mayor Torres for her courage and her vision. **"One Pomona One Voice."**

MESSAGE FROM THE DIRECTOR

Greetings,

We are elated by the successful turnouts the chamber has been generating in all of its activities and events. The Taste of Pomona, the Legislative Power Lunch,

the Scholarship Luncheon and the Mayors State of the City Luncheon held at the Pomona Valley Mining Company on June 20. Mayor Norma Torres captivated a packed house and received a standing ovation.

Your support and participation has been outstanding and has allowed us to grow these events every year. What is most rewarding is the relationships we are building for you and your business with the city and the community. Pomona is poised for great development in the future and the future is now. In a matter of a few years you will see major retail, housing and new business in all of Pomona but specifically the downtown area. We will be working closely with the city to incubate new business and retain existing business to help your business become successful.

Please join us in our Chamber Board Installation and Community Service Award dinner to be held at the beautiful renovated Sheraton at Fairplex on July 26 from 5:30 pm to 9 pm, where we will be installing our new incoming Chamber President Phyllis Murphy, new board members, and thanking our retiring board members, as well as Dwight Richards, our past president for his dedication and service. In addition we will be honoring our Community Service Award Winners Cathy and Victor Tessier for receiving our most prestigious Community Service Award.

The theme for this event is putting on the Ritz, so dress up and come and help us close out an extremely successful year in style.

Sincerely

Frank Garcia

WIRELESS POMONA

Last year, the City embarked on transforming Downtown Pomona into a wireless network. Today, students, businesses, and residents are staying connected while enjoying Downtown Pomona.

As a result, the City will be expanding the high-speed wireless internet to the entire City. A Wireless Pomona Request for Proposal was sent out in mid March and completed six oral presentations from interested wireless vendors including Azulstar, Ltek, Calence/Cisco, Metrofi, Solutrea, and Cheetah/Tropos.

A Wireless Pomona Committee was formed to choose the top three finalists: Azulstar, Calence/Cisco, and Cheetah/Tropos.

A company will be selected this month and will begin the planning and deployment of a Wireless Pomona.

A Wireless Pomona will bring endless possibilities to the City. Pomonans will be able to stay connected while enjoying the quality of life in our community. It will also be a benefit to enhance government efficiency, promote economic growth, foster greater community satisfaction and bridge the digital

Wireless technology uses radio transmissions to connect computer devices to a network or to each other. Computer users beneath this wireless mesh canopy will be able to connect quickly and easily to the Internet at distances of up to about 100 yards. With a wireless network, users can surf the Web, access work files, and check email all without having to plug into a network or telephone jack.

With wireless Internet connections the City and our technology providers are making access to the Internet more reliable, economical and convenient for the students, businesses, and residents in the entire City. For more information about the Wireless Pomona Project, call the City's Technology Director John Depolis at (909) 620-2463.

CITY EMPLOYEES TEAM UP TO CLEAN UP

Along with hundreds of community participants, approximately 25 City employees rolled up their sleeves to assist in the May 12th Chamber of Commerce City Wide Celebration Beautification & Anti-Graffiti Awareness Day. City employees spearheaded several cleanup projects including weed removal and trash pickup at several redevelopment agency owned properties. In addition, volunteers performed trash pickup around the City Hall complex and transformed the landscape area adjacent to the City Hall west parking lot by planting more than 100 shrubs and flowers. Keeping Pomona clean and beautiful, it's up to all of us!

STREET IMPROVEMENT PROJECT ON RIO RANCHO ROAD

Pavement rehabilitation of Rio Rancho Road from Country Mile Road to Park Avenue is underway and will continue through mid-August 2007. Pavement rehabilitation will include extensive removal and replacement of existing asphalt concrete pavement, followed by an asphalt overlay of the entire street.

During the construction, Rio Rancho Road will be reduced to one lane in each direction. Construction hours are 7:00 a.m. to 4:00 p.m. weekdays and night work will take place at the Rio Rancho/SR71 overpass as required by the Caltrans Encroachment permit.

enforcement program for the city. In 1977 the Tessiers also organized the Pomona Southwest Council, a group of property owners and managers to address extreme property blight in South Pomona.

To this day their appreciation of Historic buildings, has led them to acquire many dilapidated buildings for renovation and management, encouraging a new generation of tenants to populate and invigorate the downtown area. They have also donated space to seven non-profit art galleries

Since 1962, either Victor, Cathy or both have served on the boards, and/or have held office in many Pomona organizations that have affected the vitality of the downtown such as, California State Bar, Family Services, Legal Aid Services, Mt Baldy Area Apartment Association, Pomona Central Business District, Pomona Economic Development Corporation, Downtown Pomona Owners Association, Pomona Vehicle parking District commission, Pomona Residential Task Force Committee, Partners in Education Cal-Poly Pomona, Charter school of Arts and Enterprise, the YMCA, our Lady of the Assumption Ministry and the St. Vincent de Paul Society.

YMCA PLANNING FOR AUGUST 2 "CANDLELIGHT" EVENT

"A special evening with a special purpose" is how YMCA General Director & CEO Jane Taylor describes the YMCAs annual fund raising event held for over 20 years at the Candlelight Pavillion Dinner Theater in Claremont. Our 2007 event takes place on Thursday, August 2.

Jane, YMCA Board member and Candlelight Committee Chair Cathy Tessier, as well as members of the planning committee boast that this evening has it all – an elegant champagne reception on the patio, a delicious dinner and what promises to be a special performance of the popular musical 'OKLAHOMA!'

"The focus of the evening, in addition to raising funds for programs for youth and families at the YMCA, will be to honor two long-time supporters of the YMCA – Board Chair Christopher Oberg and past General Director and CEO of the Pomona YMCA Phyllis Murphy", Jane added.

Tickets are \$125 per person. You may mail your reservation information to the YMCA at 350 N. Garey Avenue, Pomona, CA 91767, or call the YMCA office at 909-623-6433 for information.

Gloria Molina Announces Elimination Of Unsafe Railroad Crossing in Pomona

L.A. County-ACE-Pomona Deal Will Reduce Traffic, Noise

LOS ANGELES (June 19, 2007)—Los Angeles County Supervisor Gloria Molina announced today that an unsafe railroad crossing in Pomona will be virtually eliminated thanks to a land deal worked out between the county, the City of Pomona, and the Alameda Corridor East (ACE) Construction Authority.

“Anyone living or working near this railroad crossing suffers from the noise, traffic congestion, and safety hazards these trains produce every single day,” Glolina said. “That will change how that through freight train use is on its way to being virtually eliminated =ere. I am proud that all parties involved in this deal—L.A. =st1:PlaceType w:st="on">County, ACE, and the City of Pomona—were able to come to an agreement and, in doing so, improve the daily lives of the people of Pomona.”

At today’s weekly meeting of the Board of Supervisors, Molina and her colleagues authorized a \$332,000 sale of approximately one acre of excess South San Jose Creek Parcel property owned by the L.A. County Flood control District to the ACE Construction Authority. The land is adjacent to existing Union Pacific railroad tracks in Pomona. Construction is underway and is scheduled to be completed by early 2008.

Over the past decade, as economic activity in the San Gabriel Valley has increased, so has vehicle and rail freight traffic. =/SPAN>Train traffic in the San Gabriel Valley is expected to increase to 160 trains per day by 2020. Localized economic growth is projected to increase local traffic volumes by almost 40 percent over the same period.

As a result of these trends, crossing gate blockage time is expected to increase 54 crossings in the San Gabriel Valley. Expected auto and truck vehicle delay would increase by 300 percent between 1994 and 2020 unless something is done.

A MESSAGE FROM THE PRESIDENT

A Year of Accomplishments: Your Hard Work Has Paid Off

Our Community Awards and Installation Dinner slated for Thursday, July 26, 2007 will mark the end of my term as your President. So much has been accomplished in the past two years and so much of it is due to the hard work of our Board, Ambassadors, and Chamber Staff. Our monthly mixers have achieved their goal of providing networking amid robust attendance. Our events such as the Taste of Pomona, Scholarship Awards Luncheon, Mayor’s State of the City and Pomona Beautification Clean-up have all been phenomenal successes. Our monthly Networking Breakfasts are off to a great start consistently attracting 30-40 businesses and generating many referrals per event.

All this is due to a collective effort and positive attitude emanating from the Chamber, the City and our Members. We must continue to build lines of communication, work proactively and above all convert apathy and cynicism into directed efforts and optimism. I want to thank everyone who has participated in elevating the Chamber. I especially want to thank Frank, Martha and Jennifer, for diving in and tackling our big ideas. I leave you in good hands with Phyllis Murphy who I know will continue to grow the Chamber.

AMBASSADOR OF THE MONTH

André Robinson

André Robinson is a husband and proud father of two young boys, Justin and Joshua. He is a native Californian with a deeply rooted affection for Southern California and all its beauty, majesty and diversity.

He earned a Bachelor of Science degree in Business Administration with a concentration in Marketing from California State University Northridge (CSUN) and a student at CSUN.

André started his professional career in the insurance industry. Currently, André & Jackie are partners in J.A. Robinson LLC. The first endeavor for J.A. Robinson LLC is The UPS Store in Downtown Pomona.

The UPS Store is the place where, "don't you worry about a thing" as the Stevie Wonder jingle goes in the national advertisement campaign. The UPS Store specializes in the following:

- Packaging: parcels, antiques, art, freight
- Shipping: UPS, Yellow Freight, United States Postal Service
- Document Services: copying, binding, laminating, digital printing
- Postal Box Services: 24 hr access, street address, courier delivery acceptance.

In addition, The UPS Store offers:

- Color & Black-and-White Copies
- Document Finishing (including binding, laminating, etc)
- Notary Services

"I look forward to The UPS Store playing an integral part in the revitalization of Downtown Pomona."

- Printing Services (business cards, invitations, etc)
- Mailbox and Postal Services
- Office and Packaging Supplies

The UPS Store – Downtown Pomona has used the Pomona Chamber as a valuable resource. A chamber networking event led to a referral to the Goodwill Youth Opportunity Program. The Goodwill YOP provided a venue for the first The UPS Store employee. A second employee was gained through a referral from a chamber board of director,

Ricardo Delgado of Irises Floral Designs.

André is very active in the community of Pomona. He is Vice President of Community Development for the Pomona Jaycees. He regularly attends the Community Engagement Meetings hosted by the Pomona Police Department. André has also attended several of the Youth and Family Master Plan meetings.
